## BALD HEADS

What is the condition of yours? Is your hair dry, harsh, brittle? Does it split at the ends? Has it a lifeless appearance? Does it fall out when combed or brushed? Is it full of dandruff? Does your scalp itch? Is it dry or in a heated condition? If these are some of your symptoms be warned in time or you will become bald.

### SKOOKUM ROOT HAIR GROWER

Is what you need. Its production is not an accident, but the result of scientific research. Knowledge of the hair and scalp led to the discovery of how to treat them. "Skookum" contains neither minerals nor oils. It is not a dye, but a thoroughly cooling and refreshing tonic. By stimulating the follicles, it stops falling hair, cures dandruff and grows hair on bald heads.  
Keep the scalp clean, healthy and free from irritating eruptions, by the use of Skookum skin soap. It destroys parasitic faunas, which feed on, and destroy the hair.  
If your druggist cannot supply you, send direct to us, and we will forward prepaid, on receipt of price. Grower, \$1.00 per bottle; 6 for \$5.00. Soap, 50c per jar; 6 for \$2.50.
